## What Great Teams Do Great

How taking the green path sets the tone for your culture.

Attendees will have the opportunity to hear from David Wheatly, Principal and Chief Question asker of Humanergy. During David's highly engaging and interactive workshopping session, participants will understand:

- The backbone of high performing teams
- The Green-Path and the Red-Path as ways to address issues
- The three learning cycles

David will walk attendees through what it looks like for their own plant to be on The Green Path and help them to formulate their own plan to better lead their team.
