RESTAURANT REOPENING
MUST-HAVES

CLEAN LINEN

Fresh **tablecloths** and **placemats** provide surfaces that are significantly cleaner than bare tables and can help signify which tables are available for social distancing.

Tablecloths · Placemats · Napkins

NSF-Certified Hygienically Clean

ALSCO MASKS

Launderable and **reusable**, Alsco masks are a **sustainable** way to show how much you care about your patrons.

Available now!

CLEAN HANDS

Handwashing significantly reduces germs, harmful chemicals and more. Give your customers what they need to keep their hands clean in your establishment.

Soaps · Sanitizers · Paper Towels

CLEAN UNIFORMS

Clean uniforms raise **morale** in any workplace, but did you know they can also **protect** your customers and employees in the fight against illness?

Aprons · Chef Coats · Cook Shirts · Pants

CLEAN FLOORS

Professionally cleaned mops and floor mats play a vital role in a **clean & safe facility**. We also offer specialty floor mats to encourage **handwashing** and **social distancing**!

Wet and Dry Mops · Microfiber Mops

Floor Mats for Front and Back of the House

CLEANING PROGRAM

Cleaning frequently touched locations, including countertops and food preparation areas, is part of all major guidance to reopening business to your patrons. Alsco offers the **food-service sanitizers** and hard-surface cleaners you need to successfully reopen!

Food Service Sanitizers · Glass & Hard-Surface Cleaners

Broad-Spectrum Disinfectants · Enzyme Floor Cleaners

GREAT PARTNERS

As the first company in the world to offer linen and uniform rental services in 1889, Alsco knows what it takes to make it through tough times — and good times. We earn the trust and loyalty of our customers through fair, transparent business practices.

LET ALSCO PROVIDE YOUR RESTAURANT REOPENING MUST-HAVES!
