RE: Cintas Corporation Service Agreement

Dear :

This firm represents Cintas Corporation relative to a Facility Services Agreement in place between Cintas and your business. Cintas has advised me that you have prematurely terminated this service agreement in violation of the terms of the contract and are liable to Cintas in the amount of $14,728.46. Please remit this amount on or before October 5, 2013 to the Cintas location in Lansing, Michigan. If you wish to arbitrate this matter as is set forth in your contract, please advise me of this fact in writing within 3 days of the date of this letter. In the event you fail to respond, Cintas will assume that you have waived the arbitration provision and additional action will be taken including filing an action in the appropriate court to enforce the terms of the parties agreement.

Please govern yourself accordingly.

Very truly yours,
